I don't know a lot of these either. Let's put the PM name next to each?

Thanks. Yes, I'll take care of P-20-0097, P-20-0105, and SN-20-0006. Are there others from my branch? Or others I should do?—I'm not sure who the PMs are for all of them.

Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?

Below is list of emails I've received from companies regarding cases. If you know of other cases, please add it to list. We anticipate we will be receiving many more of these elevation issues before the year ends. Ex. 6 Personal Privacy (PP) would like to get an update on where stand on each these hair on fire cases at the OPPT biweekly tomorrow at 3:30.
